We were fortunate to be staying at the Peak centre- a purpose built youth centre with lots of added extras like a sports hall, craft room and chill zones all set in the beautiful Peak District.

The programme for the 25 young people aged 12- 19 included reflections of British life, Bible studies from the book of James, exploring calling and gifting and plenty of free times for personal space and reflection. The planned visit to Manchester had to be cancelled at the last minute due to overnight rioting, but we spent an interesting day on Stockport at the cinema, ten pin bowling and doing the shopping challenge. Other fun times included film nights, discos and walks around Edale. Yet again friendships were formed that are still vibrant and again this year we have set up a facebook group that is proving to be a way that peer support continues and the buzz from Reconnect 2011 lives on!

In terms of 2011 paperwork- thanks goes firstly to Xenos and Maranatha for their financial support which made this week possible. We are also grateful to Global connections for their support with publicity and financial administration. Financially we were able to return £425.59 to Global Connections.
