What is OSCAR?

How can you help OSCAR?

What is OSCAR?

OSCAR is:

- *the* UK Information Service for World Mission
- a Christian web-based service that provides information, advice and resources for those interested or involved in world mission
- found at www.oscar.org.uk
- an acronym of 'One Stop Centre for Advice & Resources'
- furthering the kingdom of God by improving the efficiency and effectiveness of mission work around the globe
- a charity registered in England & Wales (no. 1093265)
- a member of the UK Evangelical Alliance and Global Connections

OSCAR grew out of the vision of Mike Frith, a former pilot with Mission Aviation Fellowship.

Mike's 10 years of experience working overseas gave him an insight into many of the problems facing mission workers. With the advent of the Internet, he saw an opportunity to alleviate many of these problems by improving information and communication between all those involved in mission work.

OSCAR was officially launched on the Internet in March 2000 as an independent service and has grown into what many regard as **the** place for world mission information and resources in the UK.

Who uses OSCAR?

The OSCAR website has an average of around 10,000 unique users per month.

More specifically, OSCAR is used by:

- Missionaries and Christian workers around the world.
- Prospective missionaries and Christian workers.
- Missionaries and Christian workers entering or returning to the UK.
- Christians open to the possibility of working cross-culturally.
- Supporters of missionaries, Christian workers and world mission in general.
- Anyone responsible for 'resourcing' any of the above.

For each of these users, OSCAR is designed to take the 'leg work' out of finding missions related information. It helps them locate the organisations, services and resources they need and puts them in complete control of managing their own situation, whether they're a cross-cultural worker, supporter or enquirer.

"OSCAR has to be one of the most important and valuable resources available to mission agencies and their workers today. It's a great site!" David Marfleet, Fundraising, Marketing and Development Consultant, David Marfleet Ltd.

"OSCAR is excellent! I work in missionary personnel support and OSCAR is an invaluable tool for me." Diane McAuley, World Horizons, Spain.

How can you help OSCAR?

In order to keep OSCAR's information as comprehensive and inclusive as possible, we do not charge for organisations or services to be listed. Furthermore, in order to benefit as many people as possible, access to all this information is completely FREE.

Therefore, OSCAR is dependent on donations for its continuation.

It costs roughly £1 per hour to keep OSCAR online. Maybe you would like to help keep OSCAR online for a day (£24) or a week (£168). You might like to choose a special day for yourself or a friend. We can even tell you how many people the site helped on your chosen day!

If you wish to make a donation, please fill in the form overleaf, cut it off and send it to us. You can also donate online at:

We would also appreciate your prayers for OSCAR.

If you would like us to keep you informed of OSCAR's work, you can also use the form overleaf.

Many thanks.

Mike Frith, Director
