RESOURCE SHEET

Christian Education Europe

CEE are involved in starting Christian schools throughout Europe and then providing support and teaching materials. 'The European Academy for Christian Homeschooling' (TEACH) and 'Growing Families International' are part of the same group of ministries. There is a good UK Christian schools directory on their site. Website: www.christian-education.org

NorthStar UK

Britain's first fully on line secondary "school" offering courses for children up to GCSE level. Website: www.northstaruk.org

The Christian Schools Trust

This organisation links to a number of schools across the UK (and a few outside) who provide a Christian education. Web: www.christianschoolstrust.co.uk

The Independent Schools Christian Alliance (TISCA)

TISCA can help you locate Christian independent schools (boarding and day) in the UK and inform you of other factors related to Christian education. Web: www.tisca.org.uk

New Christian Schools

A portal site providing links to many of the new Christian schools throughout the UK. Website: www.newchristianschools.org

The Independent Schools Council

This is the official site for the 1,300 UK schools accredited by the Independent Schools Council. Website: www.isc.co.uk

Schoolzone

This site has many education resources including a comprehensive UK schools directory. Website: www.schoolzone.co.uk

UK Local Education Authorities (LEAs)

From this site you can obtain information about UK state schools. Website: www.dfes.gov.uk/localauthorities

Association of Christian Schools International

A US based ministry linking ACSI member schools around the world and providing a comprehensive online directory. Website: www.acsi.org

Home education resources

Deut 6v7

is a mailing list for Christian home-schoolers in the UK and Europe. Website: www.hayletts.net/deut6v7.html

Home Education in the UK

Resources, advice, and general help for anyone interested in home education, in the UK or elsewhere. Particular emphasis on introducing informal maths. Website: <http://home-ed.info>

Home Service

The Home Service was established in 1992 to support Christian home educators and to encourage Christians to consider the issues surrounding home education. Website: www.home-service.org

International Children's Education

International Children's Education (iCHED) provides materials for families and teachers of students who are studying outside their home country. Originally developed for workers with SIL International, many of our resources are available to other organizations as well. Website: www.iched.org

SHARE Education Services

SHARE exists to help expatriate Christian families in Europe, Russia, and Central Asia meet the challenge of educating their children cross-culturally by providing resources and educational consultations through a network of resource centers. Website: www.shareeducation.org

Theocentric Christian Education

TCE provide a guided system of God-centred home and private education for children. Website: www.homeschool-tce.co.za
